PURPOSE

Commvault Systems, Inc. and its affiliates and subsidiaries (the “Company”) has established this Equal Employment Opportunity Policy (this “Policy”) to ensure that all employment actions, including without limitation recruiting, hiring, training, and promoting, comply with all applicable global laws and regulations and are based solely on merit and performance, without regard to race, color, religion, national origin, sex, age, veteran status, disability, or other legally protected status.

POLICY

Compliance with Federal Laws. Commitment to Providing Reasonable Accommodations. Employees and applicants shall not be subjected to harassment, intimidation, threats, coercion, or discrimination because they have engaged in or may engage in any of the following activities related to the administration of VEVRAA, Section 503, or any other federal, state, local, or foreign law requiring equal employment opportunity: (1) filing a complaint; (2) assisting or participating in an investigation, compliance evaluation, hearing, or similar activity; (3) opposing an unlawful act or practice; or (4) exercising any other protected right.
